Dog Apartment Sponsorship

- Individual or Corporate Sponsorship of kennel unit renovations (50 available)
- Sponsorship covers the costs of replacing existing chain link enclosures inside the kennel building and creating a "dog apartment" with four-sided walls constructed of tempered glass and FRP (fiber reinforced plastic) front and concrete block sides.
- Renovations will create a more comfortable, less reactive/stressful environment of the dogs, create a more appealing experience for potential adopters, and make it easier for staff and volunteers to provide care for each dog.
- An embossed plaque with the sponsor's name and message/logo will be installed near the top of the new apartment unit front inside the kennel building and on the gate of the outdoor portion of each unit.

\$500

Dog Apartment "Time Share"

- Partial "dog apartment" sponsorships can be donated for \$500.
- Your sponsorship will be shared with four other \$500 level donors and your name will appear with these other four donors on the plaques as described above. You may specify which other four donors you would like to be included with.

Kitty Climber Sponsorship

- Sponsorship of construction costs for the new Second Chance addition (\$500 for individuals and \$1,000 for corporations).
- The addition will replace the current Second Chance building which is being torn down due to obsolescence and disrepair. The new Second Chance will be a two-story addition to the rear of the main building adjacent to Pampurred Palace (lower level) and Kitty City (upper level).
- Sponsor's name/business name will appear on embossed tile on "kitty climber" wall within building. Corporate sponsor's tile will be larger with option of logo/message.
