Dog & Cat Feature

Meet Cheez It! He's 2 years old and has been at the shelter for 3 months. This beautiful boy is a big snuggle-bug! Unlike some of his roommates in Kitty City, Cheez It loves people and he likes to try to accompany you on bathroom breaks. He's very independent and curious!

Meet Moose! He's 4 years old and has been at the shelter for 6 months. Moose was brought to us as a stray who was wandering the side of a highway. Even with all his battle scars and most likely stressful past, Moose is the easiest going dog you will ever met! He loves meeting new people, especially if they have treats, enjoys going to events, and is amazing with kids. There is nothing not to love about this handsome boy!
